## IIPPE 9<sup>th</sup> Annual Conference in Political Economy Pula, Croatia, 2018

### Call for Papers and Activist Proposals

**Theme: The State of Capitalism and the State of Political Economy**

**Date and Place: September 12-14, 2018, University of Pula**

IIPPE calls for general submissions for the Conference, and particularly welcomes those on its core themes the state of capitalism and the state of political economy, which will be the focus for the plenary sessions. Proposals for presentations will, however, be considered on all aspects of political economy. New participants committed to political economy, interdisciplinarity, history of political and economic thought, critique of mainstream politics and economics, and/or their application to policy analysis and activism are encouraged to submit an abstract.

Submissions may be made as (a) proposals for individual papers (which IIPPE will group into panels), (b) proposals for panels, (c) proposals for streams of panels, or (d) proposals on activism. To submit a proposal, please go to the following Electronic Proposal Form (EPF), and carefully follow the instructions.

**The deadline for proposals is March 15, 2018.**

All other deadline dates are included on the Electronic Proposal Form. For the last conference in Berlin we had more than 450 registered presenters. Due to the high number of participants, we cannot be flexible on the deadlines.
